of parts available next day.

As an MAN approved dealer, all our parts come with a global warranty that's valid for 12 months. We have access to over 45,000 MAN genuine parts, supported by 300 dedicated delivery vehicles. At any given time, an average of over 8,000 genuine parts are in stock in our dealership. And we stock parts for all MAN vehicles including older models and special vehicles.

As for the 4% that don't get delivered the next day, we make sure they get here the day after.
